

TATLER

THIS TATLER
BELONGS TO:

the 1990s, the number of people with a mental health problem has increased by 50% (Mental Health Foundation 1999). The prevalence of mental health problems has increased in the general population, and the incidence of mental health problems has increased in the prison population.

There is a growing awareness of the need to address the mental health needs of prisoners. The Department of Health (2000) has published a strategy for mental health services, which includes a commitment to improve the mental health of prisoners. The Department of Health (2000) has also published a strategy for mental health services, which includes a commitment to improve the mental health of prisoners.

PROLOGUE

Education is eternal. Since the beginning of creation, man has constantly striven to learn, and the learning process is not an easy thing.

As a part of this learning process, Alton High becomes single moments: excitement and joy, togetherness and solitude.

These things Alton High is, and on the following pages, in an attempt at totality, AHS will be portrayed---the winners, the losers, the "don't cares." We proudly present the TATLER to the Class of 1974 in hopes that we have captured their personal memories for eternity. AHS is thousands of students, all with different aims and different goals.

Still, Alton Senior High School is much more.

JON BEARD ***CLASS PRESIDENT***

Jon Beard was presented with the cane and chain, symbols of the senior class, at last year's graduation.

Planning the Junior Prom was John's first responsibility as class president. He also selected the class motto, and will plan the Senior Prom.

MARK KIENSTRA ***STUDENT COUNCIL PRESIDENT***

The student body elected Mark Kienstra as Student Council President for 1973-74.

In addition to Mark's work on Student Council for the past three years, he has also participated in the French Club, Lettermans Club, Small Engines Club, and helped on the Junior Prom Committee. Mark has worked as Varsity Football Manager, Powder Puff Football Coach, and a Teacher's Assistant.

Mark hopes "that Councils of the future will accept the challenge of following our example and will even eliminate the problems that we had only dreamed of solving."

NATIONAL MERIT SCHOLARSHIP SEMI-FINALISTS

STEVE MUELLER

VICTOR FREYER

The National Merit Scholarship semi-finalists are Stephen Mueller, Victor Freyer, and Ellen Weisman. They are chosen on the basis of their scores on the National Merit Scholarship Qualifying Test. The semi-finalists, receiving the highest scores in their states, constitute less than one percent of the graduating seniors in the United States. They demonstrate high intellectual capacity and readiness to develop their abilities.

Congratulations Ellen, Steve, and Victor!

ELLEN WEISMAN

D.A.R. AWARD ELLEN WEISMAN AND JAY LULY

The Good Citizens Award sponsored by the Daughters of the American Revolution is given to one girl and one boy of the senior class each year. The award is given to the students who excel in the qualities of leadership, patriotism, and service. The winners from Alton High School this year are Jay Luly and Ellen Weisman.

Congratulations Jay and Ellen!

BAUSCH AND LOMB AWARD

JAY LULY

This year the Bausch and Lomb Award will be presented at graduation to Jay Luly. Jay has been chosen by the Science Department as the student with the best record and promise in the area of science.

Jay, as a winner of this award, now becomes eligible to compete for the four-year Bausch and Lomb Science Scholarship at the University of Rochester.

Congratulations Jay!

OUR AFS STUDENT TO FINLAND

DEBBIE BARNETT

Debbie Barnett, a member of the American Field Service, had the opportunity to take part in the American Abroad Program last summer. Debbie visited Finland. She stayed with the Reino Kuokkanen family in Helsinki.

RENSSELAER AWARD

LANCE NEWCOME

Lance Newcome was chosen by the faculty of the Mathematics Department in his junior year as the recipient of the Rensselaer Award. This is awarded to the student who is most outstanding in mathematics and science.

Lance, as a senior, is eligible to apply to the Rensselaer Polytechnic Institute, Troy, New York.

Congratulations Lance!

ADELSON MOREIRA **OUR A.F.S. STUDENT FROM** **BRAZIL**

This year Alton High School has the pleasure of welcoming Adelson Moreira from Cachoeiro de Itapemirim, Brazil. Adelson is living with the Charles Sheppard family during his stay in the United States.

Chem-O, C.P. English, physics, and algebra II are the subjects Adelson is studying at Alton High. In his free time he enjoys dancing, attending sports events, and playing tennis; however, Adelson's visit to the United States is accented most by his enthusiasm for travel and making new friends.

Adelson is sponsored by the American Field Service, an international organization devoted to the promotion of fellowship and understanding among nations. The students at Alton High hope Adelson has enjoyed his stay in Alton as much as we have enjoyed having him.

Dear Mom,
... and there was three inches of ice in the pit!

Adelson with some of his friends.

Adelson with his American Family.

Adelson prepares for winter.

"The United States will not experience a coffee shortage."

Adelson and Cass reflect a year of memories.

Jarmo with his American family.

JARMO PONTINEN OUR EXCHANGE STUDENT FROM FINLAND

The students of Alton High School are happy to welcome Jarmo Pontinen, the exchange student from Espoo, Finland. Espoo is located five miles from the capital, Helsinki. Jarmo's visit is sponsored by Youth for Understanding, an international teen-age student exchange program whose purpose is to acquaint other countries with the American democratic system.

In his spare time Jarmo enjoys sailing, bicycling, swimming, and working jigsaw puzzles. He is also an active member of the Boy Scouts. The subjects he is studying while at Alton High are German II, creative media, calculus, and U.S. history.

While in the United States, Jarmo is living with the Fred Finck family. We certainly hope Jarmo has enjoyed visiting Alton and will take home many good memories of his stay.

Wanta drag?

... and they all lived happily ever after.

I wonder why they call it the pit.

C'mom guys, what's the password?

$$\sqrt[3]{\frac{(1.16)^5 \times 31.7}{18.5 \times 7.75}}$$

Are you sure all these pieces are for the same puzzle?

"Anybody goin' my way?"

Guess that took care of Mr. Overath.

The Snowflake Shuffle.

And now for today's forecast: Clear skies, temperature in the mid to upper fifties with little or no chance of precipitation.

All right; who threw that snowball?!

These snowballs sure
beat the cafeteria
food.

And they said the North Pole was barren.

Is it true the Flames really hold practice here?

I'm the snow fairy!

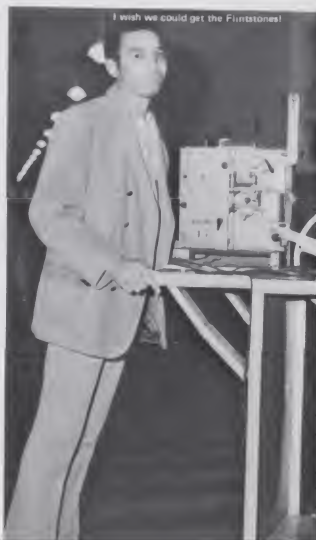

"Follow me, I will lead you out of bondage!"

"LOOK MA!" No teeth!

Have you ever had the feeling people are laughing behind your back?

I wish we could get the Flintstones!

"Welcome to San Quentin. I'm the warden."

Wait till Ma and Pa hear we've made it to the BIG city.

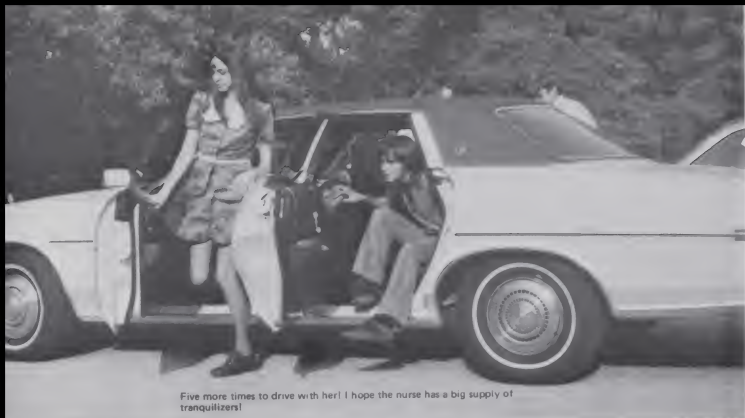

"Did you say Roger has BUBONIC PLAGUE?"

That Vick's Nasal Spray really works!

I thought that exercise was for girls!

Five more times to drive with her! I hope the nurse has a big supply of tranquilizers!

You can use Passsst anywhere!

may I? Yes you may . . . take one giant step forward.

"Mother never told me about Mitra-Brite."

"Head 'em up,

move 'em out,

Rawhide."

"Hark!"

"Look into my eyes."

"Your right arm's not working. How about your left?"

"Nope. He's not in here."

"How's my posture? Do you think I'll make charm school?"

"And then the papa bear said"

"That grapefruit diet really works."

ACTIVITIES

THE STORY OF CAROUSEL

At a carnival in a small New England seaport, Billy Bigelow meets two young local girls, Julie Jordan and Carrie Piperidge, who work at Bascombe's knitting mill. Although Billy is used to young girls admiring him, he feels Julie is different. Because of his attraction to Julie and the attention he gives her, he stirs up some difficulty with Mrs. Mullins, the carousel owner, and ends up losing his job. Though neither one of them has a job, Billy and Julie marry.

One fine June day, while Billy and Julie are joining the townsfolk at a clam bake, Billy's friend, Jigger, convinces Billy of an easy way to get some money: rob wealthy mill owner Bascombe while everyone else is enjoying the clam bake. Thinking of Julie and their soon-to-be baby, which Julie has just informed him they were having, Billy agrees.

Bascombe, however, surprises Billy and Jigger, and fights them off. Jigger escapes, but Billy kills himself. While in heaven he is told he has one chance to visit earth. In returning, he finds his daughter, Louise, in her teens. She is avoided by the "respectable" townspeople due to the disgrace in which her father died.

While at Louise's high school graduation, Billy is able to communicate with her and Julie. He tells them that he has always loved them and still does. He also tells them to face the future with faith, hope, and courage.

Coach Wigger, Co-captains Mike Sawyer and Paul VanHyning.

The 1973 Alton Cross Country team can only be described as a gutty, never-say-die squad. Throughout the season, injuries to key performers slowed the team, but they always came back strong. The Redbird harriers won most of their duel and triangular contests and emerged as the team to beat going into the conference championship meet. Alton High came alive in the conference clash with a second by Casey Reinking, a third by Mike Sawyer, and a fourth by Paul VanHyning, which sparked the team to the championship title. Jim Boswell and Neal Bohlman rounded out the redbird scoring with twelfth and twenty fifth place finishes. Bob Eppel won the sophomore division for Alton.

Alton's harriers proved to be the top team in the district meet, too, scoring only 41 points in a field of seventeen teams. However, Edwardsville clipped the redbird's wings at the Sectional final in Springfield as Alton finished second behind the fired up Tigers. High hopes were dimmed in the state meet when Alton High finished twenty first, in the tough competition. Although the team was disappointed with its performance at state, the Redbirds can boast another successful season under Coaches Wigger and Diddlebock. Mike Sawyer was selected to the all metro cross country team while Casey Reinking and Paul Vanhyning received honorable mentions. Working under pressure and handicaps, the scrappy performance of the Alton High Cross Country team deserves praise from the school.

With the return of a small but talented crop of seniors, including an all senior backfield, the Alton football Redbirds and Coach Iman looked forward to a 1973 schedule in which they would open against the number one team in Indiana. They would also play the number one and two teams in Illinois away from home. Against Terre Haute South, first game jitters and inexperience overcame some outstanding individual performances, and the Redbirds succumbed 20-0. However, two trademarks of Alton High football 1973 were revealed in the game; the faith of Coach Iman in his untested juniors, and the team's failure to give up. In spite of the situation, Alton followed with a 23-8 loss to a tough Quincy team and then traveled to Belleville West. The first league contest for the Redbirds resulted in a 33-0 shutout for the Maroons, but the game was much closer than the score indicated. Twice, Alton touchdowns were called back because of penalties and the battle in the offensive and defensive trenches was, for the most part, a stand off. The following week Alton High ran up against the Cahokia Comm-

anches in their home opener. Two early touchdowns put the Redbirds ahead 14-0, and they held on for a 14-6 victory after stopping a Commanche drive late in the game.

Alton's next three games were the low point of the season. Hustle and spirit could not overcome costly mistakes as the Redbirds were still trying to put it all together. Following a 27-6 loss to Granite City South, Alton jumped out to an early 6-0 lead at home against the Edwardsville Tigers, but then failed to generate anymore offense. They ended up on the short end of a 31-6 score. Next the team traveled to Rockford Guilford and were shutout 33-0 by a strong Viking team. With a 1-6 record the outlook for the final three games appeared bleak.

On the following Saturday afternoon the Alton High Redbirds showed what they could do. Brilliant execution and newly found spirit enabled Alton to run over the Collinsville Kahoks. Coach Iman sought four good quarters of football, and he got it as the team waltzed to a 39-7 win. Belleville East was the Homecoming opponent in the last home game of the year. The hard hitting game was scoreless until the Redbird seniors, in their finale in front of the home fans, took charge. Neal Lockhart took a pitch-out left, reversed his field and took off around right end. Key blocks by Tony Joehl and Jeff Copley enabled Lockhart to score on a 78 yard ramble. As the Lancers tried to tie the game a desperation screen pass was intercepted by defensive end Steve Johns who galloped in for the touchdown as the final buzzer sounded. It was a fitting climax to a hard fought game. The East St. Louis Flyers, ranked number five in the downstate poll, were the opponents in the last game of the year. The Redbirds outplayed the eventual conference champs, but the game ended in a scoreless tie.

The turnabout of the Redbird's play showed the determination and spirit of the 1973 team. The hardwork resulted in a 3-3-1 record in conference play, and a 3-6-1 overall, which was good for fourth place in the Southwest Conference standings. The Alton Redbirds had many outstanding performers on the '73 squad. Tony Joehl was recognized as all Southwest Conference, all District, and all Metro punter. Jim Croxton and Tony Walker were voted to the second all Southwest Conference team. A good team needs hard-working coaches like Head Coach Norm Iman and his assistants Jack Martin, Reno Calcari, Gary Labertew, Felix Macias, Collis James, and Jim Arico. The TATLER thanks the coaching staff and football team for an exciting year.

Row 1: Manager Charles Buxton, Coach Glenn McPherson, Mark Tyler, Gerry Cates, Eddie Hightower, Bob Lyons, Don Flanigan, Coach Stan McAfoos, manager Steve Clark. Row 2: Jeff Copley, Willie Huff, Tony Walker, Terry Green, Doug Nalley, Mike Stumpe, Maurice Williams, Mike Robinson, Kenny Ramsey.

With a new coach and a new look, the Alton Basketball Redbirds are off and winging towards another exciting season. The new coach is Glenn McPherson, who last year as the sophomore basketball coach guided his team to an undefeated season. The new look is an 11-1 record and statewide recognition for the Redbirds are ranked as the second best basketball team in Illinois.

The young Redbirds have gotten off to a 4-1 conference record, including a tough victory over Edwardsville in the Tiger's gym early in the year. East St. Louis has dealt the Redbirds their only defeat and Coach McPherson vows that it will be the only one. The biggest achievement so far has been winning the Carbondale Holiday Tournament. Alton faced Collinsville in the finals and the Redbirds edged the Kahoks in an exciting game 81-78. It was the first time Alton had ever won the Tournament.

Balance is the key to the Redbirds success. Every member of the team has contributed to the winning cause. Coach McPherson can feel free to go to his bench without hurting the team, as juniors such as Maurice Williams, Justin Scheiter, and Ken Ramsey have seen a lot of action. Doug Nalley leads the team in scoring while Jeff Copley heads the assist list. Willie Huff and Mike Stumpe have also helped the Redbirds.

The Redbirds have captured the spirit of the school and Coach McPherson and his squad hope to continue their outstanding performance in 1974.

The Alton High wrestling team has gotten off to a good start this season, despite the bad weather which washed out four of our meets thus far. To date the Redbirds own a 4-5 record. The 1973-74 squad features ten returning lettermen, including senior Jim Farrow whose undefeated 8-0-3 record in the 126 pound weight class gives him an excellent chance in the state tournament this spring. Sophomore, Ray Garrett, leads the team with seven pins and juniors, Jay Demond and Tony Coleman, each have five. The Redbirds performed well in the big Alton Invitational Tournament, finishing second in a seven team field behind Civic Memorial. The young team has been improving steadily and Coaches Ron McIntire and Jack Martin are optimistic about the remainder of the wrestling season.

This year's Redbird Rifle Team has only two seniors returning from last year's squad which took second place in the state tournament. Inexperience has not hurt the team, as the 1973 riflers have opened the season with four straight victories. The squad is paced by senior captain James McCann and juniors Tom Niedernhofer and Greg Rhine. Jamey Smith, a "walk on" senior, has displayed the potential of an outstanding shooter along with the sophomore Steve Keefe.

A strong bid for first place in the St. Louis High School Rifle League, one of the strongest leagues in the Midwest, is the chief goal for the squad. Because the Junior Varsity rifle team is composed of seven sophomores and one junior. Coach Mondy expects to have some depth for the next three years. To date, the Redbird shooters have a 5-3 record, and the squad is looking for a strong performance through the rest of the year. The TATLER wishes the young riflers and Coach Mondy a very successful season.

Row 3: Gary Eisenreich, Roger Schleper, Doug Matthews, Steve Schmidt, Larry Ingram, Greg Murray, Richard Lauschke, Graham Keenev. David Lauschke, Coach Ralph Sterrett.

The Alton High tennis team concluded their 1973 season with a fine 8-10 overall record. In Conference matches, the team finished with a 4-6 record.

The team consisted of eighteen players: two seniors, eight juniors, and eight sophomores. There were some outstanding players among the squad including the two seniors, Randy Jackson and Gary Eisenreich, and junior Mark Showers.

Randy Jackson compiled a 16-3 win-loss record for the season.

Concluding the regular season, Alton then advanced to District play. Alton was victorious against Triad 6-2, 6-2 and then again against Edwardsville 6-2, 6-1. In semi-finals, Alton lost to Wood River, 2-6, 6-2, and 7-5 thus finishing fifth in the District. With this loss Alton just missed a playing berth in the State Tournament.

The Alton High tennis team featured as a new addition in the 1973 season four "ball girls" who assisted the team during matches and practices.

Alton High appreciates the hard work of Coach Sterrett and the team during a successful season.

The Alton Redbirds, defeated by Collinsville 3-0, stopped short of sectional action. In the preceding year the Alton baseball team advanced to the State finals in Peoria, defeated by Niles West in extra innings, finishing second in State.

The Redbirds finished their regular season with an 18-11-1 overall record.

In District play the Redbirds defeated Wood River behind the strong pitching of Terry Green. After this victory, Alton then triumphed over cross-town rival Marquette 9-2. Jim Weiss took the win over Marquette, thus giving the Redbirds the District championship title.

Leading the Redbirds in hitting were Don Eberlin, .295, followed by Mark Pearson, .291, and third, Steve Johns, .270.

The Redbirds boasted a fine pitching staff composed of Jeff Donahue, Terry Green, Jim Weiss, Jay Wöhnlich, Mark Osborn, and Larry Smith.

Donahue finished his pitching season with 4 wins and 3 losses; Weiss, 5 wins and 1 loss; Wöhnlich, 3 wins and 2 losses; and Green finished a fantastic season with 6 wins, 1 loss, carrying a low ERA of 0.29.

The Redbirds are to be congratulated for a great season under the direction of Coach Tyler.

When the 1973 track season opened, Alton was well prepared for the indoor meets. In Charleston, the Redbirds won the Eastern Illinois Invitational competing against thirty other teams.

Beginning the outdoor season, Alton won the Mineral Area Open event in Cahokia. As the season progressed, Alton again placed first in the major Southwestern conference track meet with a total of 79 points compared to 56 for second place Granite City. Mark Swift and Neal Lockhart, team captains, each won two events leading Alton to the victory.

Mark Swift won the two mile and the mile races. Swift set a record in winning the two mile run. His time of 9:32.2 broke the old mark, 9:47.0, set last year. The Redbirds set another record by winning the two mile relay in 8:05.1, breaking last years record of 8:17. Alton captured seven of the events held. The following week Alton advanced to District action placing first again.

After the scheduled season ended, five men from the Alton team were invited to the "Top Ten" invitational in Chicago. The five men included Ken Hickman, Rick Evans, Eugene Hack, Mark Swift, and Bob Barnes, another team captain.

Congratulations to Coach Wigger and his team on another outstanding season.

GOLF

The Alton Redbird's Golf team had a fine opening for their 1973 Golf season, winning seven out of their first eight matches. The team was comprised of five seniors and four juniors each boasting an average of 40.6 or lower.

In the District Golf Championship, Alton slipped past Jerseyville by one stroke, 312-313, winning the championship title for the third consecutive year. Alton thus ranked first among the seventeen other district teams with the victory.

Advancing to Sectional Tournament play at Belleville, Alton qualified for the State Tournament with a fifth place berth, shot by Tim Holden and Jim Yost. Holden and Yost both shot 78's for the Redbirds in the Sectional Tournament.

The Alton Golf team finished their regular season with 15 wins and 3 losses, a very fine record.

Alton High School wishes to express its congratulations to Mr. McPherson and the golf team.

IN MEMORIAM

TIMOTHY ROGER WOODS

March 7, 1956--February 16, 1973

RICHARD DALE CAMP

March 27, 1957--February 16, 1973

WALTER RANDOLPH DAVIS

December 15, 1956--February 16, 1973

I'm going to have to take off that pink nail polish.

I KNEW I shouldn't have ate in the cafeterial

I hope this exercise works; I have to take another inch off my hips before Saturday night's dance.

WEEEO???

Sure, Mr. Overath will excuse me! All I gotta do is tell him I ate in the cafeteria and he'll KNOW I was there!

WOW . . . What a center-fold!!!

Gee, whiz: I didn't MEAN to mess it up

Who asked YOU???

Welcome to our Ladie's Spa.

Today AHS; Tomorrow . . .

I know I'm good . . . but 12 back flips and an aerial cartwheel?!

I think they're talking about me, again.

Booah. I can't take this food any longer; I gotta get some air.

Poof!

"Give me the beat boys, and free my soul;
I wanna get lost in your rock and roll and
drift away . . ."

He's gotta be kidding!

This is going to be the best batch of brew yet!

You meant we don't have nap time, your cookies and milk?

Now, what did she say to do after you make the loop??

Man from Glad, where are you when we need you?

EDITOR'S MESSAGE

To the student body of Alton Senior High School:

As the 1973-1974 school year comes to a close, so ends another year of events which shape our lives and express what we are; our activities, achievements, friends, feelings, and our hopes for the future. The purpose of a yearbook is to capture these events for all of us to look back on in the years to come. In this book, we have attempted to accomplish this by keeping with the tradition of excellence set by the first Alton High TATLER staff.

I feel that the 1974 staff is of extremely high caliber. They have worked hard in producing this book, and I would like to thank them for their participation. Ned Buddell and Betsy Hanrahan, my co-editors, have my personal thanks for their help in the organization and production of the '74 TATLER. To our advisor, Mr. Dale Livengood, I extend the appreciation and respect of the entire staff. He has answered questions and provided the necessary information which was so vital for the completion of the 1974 yearbook.

We give this book to you, the student body, and dedicate it to the school and tradition it represents.

Time it was,
And what a time it was,
It was . . .
A time of innocence,
A time of confidences.
Long ago . . . it must be . . .
I have a photograph.
Preserve your memories;
They're all that's left you.

Paul Simon

The first part of the paper discusses the importance of the research and the objectives of the study. It then presents a literature review of the existing research on the topic. The second part of the paper describes the methodology used in the study, including the data collection and analysis techniques. The third part of the paper presents the results of the study, which show that there is a significant relationship between the variables studied. The final part of the paper discusses the implications of the findings and provides some suggestions for future research.

The research was conducted in a systematic and rigorous manner, following the principles of good research practice. The data was collected from a large and representative sample of the population, and the analysis was carried out using advanced statistical techniques. The results of the study are presented in a clear and concise manner, and the implications of the findings are discussed in detail.

The findings of the study have important implications for the field of research, and they provide valuable insights into the relationship between the variables studied. The results suggest that there is a significant positive relationship between the variables, and this finding has important implications for the theory and practice of the field.

The study also has some limitations, and there are some areas where further research is needed. For example, the study was limited to a specific population, and it would be interesting to see if the findings hold for other populations. Additionally, the study was a cross-sectional study, and it would be interesting to see if the relationship between the variables changes over time.

In conclusion, the study has provided valuable insights into the relationship between the variables studied, and the findings have important implications for the field of research. The study was conducted in a systematic and rigorous manner, and the results are presented in a clear and concise manner. The findings suggest that there is a significant positive relationship between the variables, and this finding has important implications for the theory and practice of the field.
